FIFTY VERMONTERS PLACED

By the Federal Board for Vocational Education.

The soldier from Vermont who was disabled while fighting for his country will never become a charge upon his community if the federal board for vocational education can prevent it. The following list of Vermont men, and the institutions in which they have been placed by the board, should banish all doubt on the subject. Nearly 50 disabled men have been

placed in institutions from this state. F. T. A. McLeod, district vocational officer, 1201 Little building, Boston, is making a record for his district, which includes the states of Maine, Vermont,
New Hampshire, Massachusetts and
Rhode Island, of which he is justly proud.

STATE OF VERMONT Executive Department, Montpelier.

It would be a procedure to be regretted to allow the interest and membership of the American people to slip away from the Red Cross with the coming of peace. The more than a hundred millions of people in this country cannot afford to be without systematic preparedness for disaster relief. The most beneficial factor of present-day progress in recognizing disease, venting its spread and in bringing proper care to the suffering is the visiting nurse. To provide field nurses for home service is worthy of the best endeavor of the Red Cross and the unstint-

ing support of every citizen. American Red Cross wishes just one more year in which to complete its work in carrying relief to the countries involved in the war. We must not halt now. Our duty requires us to extend to these countries a constructive health service. (Signed) Percival W. Clement, Governor.

A CLEAR COMPLEXION

Ruddy Cheeks-Sparkling Eyes -Most Women Can Have

Says Dr. Edwards, a Well-Known Ohio Physician

Dr.F.M.Edwards for 17 years treated scores of women for liver and bowel ailments. During these years he gave to his patients a prescription made of a few well-known vegetable ingredients mixed with olive oil, naming them Dr. Edwards' Olive Tablets. You will know them by their olive color.

These tablets are wonder-workers on the liver and bowels, which cause a normal action, carrying off the waste and poisonous matter in one's system. If you have a pale face, sallow look, dull eyes, pimples, coated tongue, headaches, a listless, no-good feeling, all out of sorts, inactive bowels, you take one of Dr. Edwards' Olive Tablets nightly for a time and note the pleasing results.
